BENew™ Protein Shake Chocolate

Product Name: BENew™ Protein Shake Chocolate, 966 g. (34.07 oz.) **Contains:** Whey (derived from milk)

Item No: 53045, single pouch. Available in other quantities.

Characteristics: BENew™ Protein Shake healthy meal substitute will propel you toward your goal to slim down or lean up by providing:

- 17 grams of protein per serving from high quality whey and pea protein isolate.
- A full spectrum of vitamins, minerals and essential fatty acids.
- A proprietary enzyme blend called Enzyboost™.
- High quality fibre.

Benefits: BENew™ Protein Shake supports your weight and fitness goals by:

- Providing a simple, easy to consume, and delicious meal replacement once a day.
- Helping you feel great without leaving you hungry.
- Providing your body with the protein, fibre, and minerals it needs to achieve the healthy, fit body you desire.

Color: Light brown

Flavor/Taste: Chocolate

Texture: Powder

Servings per container: 30

Storage/Shelf Life:

- Unopened – Shelf stable for 18 months when stored at room temperature, sheltered from light and moisture, and product is kept in its original packaging.
- Opened – For the best benefits, shake gently before use. Store in a cool, dry place. To preserve freshness, consume within 4 to 5 weeks of opening.

Recommended Daily Intake: Thoroughly mix or blend two heaping scoops (29 g) in 355 mL of 1% milk or milk substitute (unsweetened almond milk or rice milk) or in 296 mL of water. Best when consumed within 30 minutes after mixing.

General: All of Life Force International products are manufactured following cGMPs in compliance with the US Food and Drug Administration's cGMPs Regulations (21 CFR 110).

Although highly nutritious, BENew™ Protein Shake does not meet all of your daily needs and should not be the only meal you consume throughout any given day. Keep out of reach of children. Pregnant or lactating women should consult their healthcare professional prior to using any new product. Satisfaction guaranteed.
